....History shows that a school shooting lasts, on average, 3 minutes. It takes police & first responders approximately 5 to 8 minutes to get to site of crime. Highly trained, gun adept, teachers/coaches would solve the problem instantly, before police arrive. GREAT DETERRENT!

**Donald J. Trump** @realDonaldTrump · 2h

....If a potential "sicko shooter" knows that a school has a large number of very weapons talented teachers (and others) who will be instantly shooting, the sicko will NEVER attack that school. Cowards won't go there...problem solved. Must be offensive, defense alone won't work!

## Skunk Bay Missile Crisis Over

This has been a very active few days... My website, Twitter, Facebook and even this blog have had record breaking activity. It has been impossible to keep up with it. I have gotten hits and inquiries from all over the world. I knew when I went public with these images, it was going to be very active. Well... I think that was an understatement.

Here is a little history and my reasoning for declaring the Skunk Bay Missile Crisis over.

When I first saw that image, there was no doubt about it in my mind... That was one big missile launch. That's why I waited for 24 hours before going public. Cliff Mass and I shared several emails before he posted his blog. As the day progressed, there were no reports of anybody else seeing it or hearing it. That is a big, important fact. A missile of that size would make a lot of noise. But, the image was so compelling, I really could not completely let go of the theory. I study these images every day... Thousands and thousands of these images and have never seen anything like this. But with no reports of anybody hearing it, I parked it in my mind as a mystery, rather than a fact. Theories about it being a plane I discounted because they were not in the field of view of my cameras and I see thousands of planes fly over and they don't look like this image at all. Tyler Rogoway, an aviation specialist did a lot of research and found it matched an Airlift NW helicopter path perfectly. But, I still could not buy into it. Helicopters fly over all the time and they have never looked like that. The conspiracy theories were rampant, but I could not get on board with them either.... I kept this thing parked as a mystery. This morning I contacted Air Lift NW to find out if the Nav lights on the helicopter were different in any way. I got a fairly quick response back from them after they talked with the pilot. Here is the text:

*"They were transiting from Bremerton to Bellingham on a standard instrument flight plan, flying in the clouds with night vision goggles. The search light was retracted flush under the nose, but did not switch off and was facing straight down."*

So, the path of the helicopter matches perfectly and now that I know the searchlight was in a locked down position and still on, it makes sense now.

I know my cameras very well. This was a unique situation that would have resulted in exactly this type of image. I never thought it would be solved like this.... What an adventure.

I know that many folks will vehemently disagree with this assessment, much as I did in the beginning. I hope they do continue to keep searching for another explanation, but in this case, I am 99% convinced this is the real solution. I will always leave that 1% open out there because I love a good mystery..... :)

So we are seeing the RR EDITED version of IG report with redactions.

How long should Trump wait to declassify and release the UNEDITED and UNREDACTED Horowitz Report.

I say after this weekend give the DS and media time to make statements that will be blown apart

How long before Huber starts issuing indictments on this segment of the investigation. Remember Boys and Girls, the Russiagate fabrication report is still in the pipeline.

Why is Strzok still employed, Bruce Ohr? they have flipped and working with Huber, that's why.

IG started long before Huber setting stage.  
Important note.

Think:

IG = FBI

Huber = DOJ (no DC)

Why are we emphasizing this given the world  
is watching?

Strategic?

Or, they already know hence CEO/political  
mass resignations.

Adding up?

Logical?

Careful of clickbait.

This is Baphomet, the SunGod who lost his Goddess, while the pope sits on her Throne, bringing death and stillstand, instead of ReBirth by the holy bride of the lamb. The ReUnion of god and goddess on Earth is corrupted by the Golden Bull (Pope) sitting on the lionesses THRONE.

A few hundred million is nothing compared to the FAIT bankruptcy rip.

World's been bust since 1930s.

There is no honoured exchange anymore, just bits of paper and a whole bunch of meaningless zeros.

There were a lot of underground facilities constructed during the cold war. Pre-cold war, there were also underground cities. Cappadocia being one of the largest known.

Update: Today the court heard Rafiekian's Motion for Judgment of Acquittal and Motion for New Trial.

The judge took the motions under advisement. This one's not cut and dry; there's a real chance the judge grants one of these motions (if so, acquittal more likely than new trial)

Errors, we can repent & be forgiven. It's not for glory or fame, but an internal salve for shame (a program from past unhealed: trauma, abuse). When we justify harm, is when it becomes evil. Continuing to commit evil acts unrepentant? Creator bestows justice.

The united States of America's Constitution guarantees free speech. Once any body starts deciding what is/isn't free speech otherwise, is when freedom turns fascism (radical authoritarian, dictatorial power, forcible suppression of opposition, controlled industries/commerce).

1 21 36

**Snow White** @SnowWhite7IAM · 14 Aug 2018

Two Things Define US: What we do when we have nothing, & what we do when we have everything. Beings with integrity (wholeness) do not behave any differently between those extremes. Success isn't money, money isn't integrity & more money just makes you more of what defines you.

1 19 42

**Snow White** @SnowWhite7IAM · 14 Aug 2018

There are a few hundred people who control over 90% of the worlds industry/commerce, this was also NOT THE DESIGN, they intentionally co-opted their privilege & what was intended as stewardship on behalf of the people (also oppressed, disenfranchised, the poor, children/elderly).

2 20 35

**Snow White** @SnowWhite7IAM · 14 Aug 2018

These few hundred people are KNOWN, they no longer have stewardship NOR rights to this sacred Trust bestowed upon them, this is the dirty secret they do NOT want the world to know: how/when/why/whom did this. Intelligence agencies were created to protect THEM, not US [#WeThePeople](#)

2 22 36

**Snow White** @SnowWhite7IAM · 14 Aug 2018

This privilege in stewardship was based expressly upon NOT harming innocence,

not in the way imagined. The dwarves

Sacrifices, beyond words cannot write. We will be forever grateful to a handful of  
Saints, who have protected Providence for humanity.

These Saints, in some occasions have eaten greens gathered, for food, to be able

Why would a President of the United States [HUSSEIN] assign 'RENEGADE' as his USSS codename?

Define 'Renegade'.

1. a person who deserts and betrays an organization, country, or set of principles.

Base III Decision: Gold reserves to be re-evaluated • Gold is restored: not an exchange metal, but world currency • A redrawing of following following Resonance with the world #GoldStandard #FinancialReset #WWGLWGA Now you know Q is real! Zero Hedge Unfollow Unfollow @SnowWhite7IAM Blocked Blocked @SnowWhite7IAM noticed ... [pic.twitter.com/lb5cNHtOn4](https://pic.twitter.com/lb5cNHtOn4) Unblock Unblock @SnowWhite7IAM

As at least some of you know, March 29 was the Drop Dead date for countries to be Base III compliant and post a gold-backed currency. The Territorial Government under the direction of Donald Trump managed to do that, just barely.

The situation with the British Brexit and the impact on the European Union remains up in the air until April 12. This is viewed as a necessary reprieve, both to allow the Brits to get their pants sorted and the rest of the EU nations to face up to the realities of dealing again in national currencies backed by actual assets. Or the necessity of backing the Euro — which is all but impossible absent an act of both God and the German Parliament.

So, at least the Territorial Government is swimming forward and will participate in what has been dubbed the Global Currency Reset (GCR). We, the American States and People, have no need to worry about "transitioning" to the gold and silver standard. We never left it. Our gold Eagles and silver eagles and all the certificates and bonds based on the same will simply have a new valuation relative to other currencies in the world and will be recognized as "cash values".

The same is happening within all the Central Banks — a switching of gears.

For many decades they have been sitting on the gold and silver stockpiles and not counting those assets — ignoring their existence as assets on the bank ledger. Now they have all been kicked into gear and forced to admit that, yes, we have all these assets.

They still haven't been brought to bay and forced to admit who or what those assets actually belong to — but that, too, is coming.

As a result of all this, the Bank of International Settlements (BIS) will be announcing new currency standards, also known as values, based on gold being "the" standard commodity.

As of March 30, all the World Banks adopted Base III and gold became a world currency.

Based on this new (and highly arbitrary) valuation scheme and the return to the old Gold Standard, people will be dealing in actual money instead of commercial script, and a great deal of the fraud and counterfeiting and "money" laundering that has gone on will fade away.

The Americans, who never went off the gold standard, have nothing to lose and the accruals of ten decades to gain. The Municipal "United States of America" has been liquidated to back the change. The Territorial "United States of America" is sliding along just off the lee shore in a gale, thanks to Donald Trump and the faithful elements in the US Military.

As a result of the double-dealing and bankruptcy protection schemes that went on at the turn of last century (1898 to 1934) and the Japanese Rumble during World War II, a lot of our actual American gold is in Indonesia and the Philippines.

At least some of that stash — which actually belongs to the American States and People — has been underwritten by the Chinese and credited to "the" United States of America on an emergency basis to allow this country to maintain a basis of trade with the rest of the world. Count it as "Baby Steps" allowing us to continue to function and make the necessary correction of our political identity and processes. Make no mistake — Americans are rich, it's the US Citizens who have been spent into oblivion.

So now we have to moderate all that imbalance — release the US Debt and deliver Offset Credit to the Americans.

For all those Junk Bond Traders who sunk their Penny Stock Dreams in Zim and Iraqi Oil, the pay off is coming — not as good or as bad as the extremes of various prognosticators, but coming nonetheless, probably this week.

Be careful how you sign the paperwork: Retain your copyright on your own names. Use a private copyright Notice after your signatures — a small "c" surrounded by a circle.

The States will be enforcing the Constitutions and the Lanham Act, which should discourage a lot of Municipal Freebooters and other vultures.

As everyone who knows me is aware — I don't believe in money. The worldwide addiction to money is the worst kind of idolatry and it needs to end, but for the moment, to prevent worldwide disaster, we need a means to trade and this is what has been worked out to allow that.

Women are sharing sister-to-sister, 'grief' experienced by some who have chosen abortion in the past, without full knowledge of the medical industry's 'real' practices. Not in all cases, but none the less, women are processing. Be kind to others, please, grief is not always seen!

The Qanon group has managed to do what the FBI and other agencies could not do. They have uncovered the truth about the 9/11 attacks. Osama bin Laden in an interview with the Pakistani newspaper Ummat. Osama bin Laden went on to suggest that Jews or US secret services were behind the attacks, and to express gratitude and support for Pakistan, urging Pakistanis to people to jihad against the West. The following is the text of an interview conducted by a "special correspondent", published in the Pakistani newspaper Ummat on 28 September, place and date of interview not given.

UMMAT: You have been accused of involvement in the attacks in New York and Washington. What do you want to say about this? If you are not involved, who might be?

USAMA BIN LADEN: In the name of Allah (God), the most beneficent, the most merciful. Praise be to Allah, Who is the creator of the whole universe and Who made the Earth as an abode for peace, for the whole humankind.

Slash the carbon footprint to 0 while increasing the spent fuel to the next multiple of the waste already accrued.  
Then try to find a 'safe' place to bury it in mother earth to 'forget' about it for millenia.

They are wanting nothing more than reduced costs for hauling garbage!

It almost ( 🤔 ) appears as if the report and the summary were written by two different people. They just don't jive with each other. Is this why it took so long to release once the FBI had it? [RR]

I had to investigate this one a bit. I may have found the supposed author, although the names & dates are changed. Worth noting Columbia Univeristy's ties to the very agency who classified this book. You're spot on to note the timing of Creationism vs. Evolution playing a role!!

Mr. Thomas attended Dartmouth College and Columbia University, receiving his degree in Electrical Engineering from the latter in 1943.

As a result of his research since 1949, Mr. Thomas has become recognized as the world's leading authority in the field of cataclysmic geology and its relationship to uniformitarian geology.

In 1959 he applied his findings to the possibility of earthquake prediction, and at a seminar in November, 1959 issued the results of his studies. He then accurately forecast the months, years, and locations of the major African and Chilean earthquakes of 1960, the Iranian earthquake of 1962, the Yugoslavian earthquake of 1963, and further predicted that California would have no major earthquakes for the following five years.

His correlation research in the fields of stratigraphy, vertebrate palaeontology, radiology, oceanography, glaciology, seismology, palaeophilology, earth magnetism, anthropology, and other related fields, has demonstrated that the cataclysmic geology theories as presented by DeLuc in 1779 and Cuvier in 1812 are definitely more acceptable than they have been previously within international scientific circles.

Mr. Thomas' definitive efforts in integrating the various earth sciences have distinguished him as the only American today with such a specialized scientific forte.

When did "Q" go active?

DOJ [policy] does not discuss ongoing investigations.  
Majority of leaks [by them] serve to their benefit.  
Some do not.  
Some are designed to provide the public w/ a 'glimpse' into the shadows.  
Glimpse > Leverage.  
Leverage > Panic.  
Panic > RATS.

The "Experts"  
But... SESSIONS should appoint a 2nd SC in  
DC aka THE CORRUPT SWAMP  
But... SESSIONS should appoint a 2nd SC in  
DC aka THE CORRUPT SWAMP (team of less  
than 20 typically) & wait 2-4 years (take a  
gamble)  
But... SESSIONS should appoint a 2nd SC in  
DC aka THE CORRUPT SWAMP because  
unlike the CLINTON EMAIL CORRUPT CASE  
(as demonstrated by the FBI/DOJ people  
FIRED/REMOVED) this will be conducted  
fairly and honestly (like MULLER)  
But... HUBER has not 'directly' interviewed  
several witnesses therefore the appointment of  
HUBER by SESSIONS (and therefore the IG) is  
not genuine  
But... SESSIONS & HUBER are following  
standard DOJ overruling investigation policy

But... POTUS is attacking SESSIONS via  
TWITTER so therefore he is not working on  
behalf of the people's interest (or POTUS)  
[D'ya LEFT LOVE/TRUST SESSIONS?]  
But... interestingly, if nothing is being done  
behind the scenes, why are so many FBI & DOJ  
senior officials being FIRED and/or REMOVED  
from their respective positions of power? Who is  
AD? Who must sign off on each removal? DOJ  
in charge of FBI?  
But... interestingly, if nothing is being done  
behind the scenes, why are there 50,000+  
sealed indictments across the US (what % =  
USA v. X)? Coincidence vs. HUBER start?  
But... interestingly, if nothing is being done  
behind the scenes, why are many 'powerful'  
CEOs, members of Congress/ Senate,  
resigning? Coincidence? Example: Pre\_POTUS  
did the SPEAKER OF THE HOUSE indicate  
wanting to leave politics?  
But... interestingly, if nothing is being done  
behind the scenes, why are human trafficking  
arrests SURGING?
